To
The Principal
Shri Kamaxidevi Homoeopathic Medical College and Hospital,
Shiroda Goa

Madam,

This is to inform you that the programme conducted by the Goa Board of Homoeopathy in collaboration with Shri Kamaxidevi Homoeopathic Medical College has been successfully implemented.

So far, more than ten Continuing Medical Education (CME) programmes have been conducted. The topics covered include Snake Bite Management, Eye Check-up, Vasectomy Awareness, Tuberculosis Prevention, and several other important public health subjects.

These programmes were organised with the aim of enhancing clinical knowledge, improving community health awareness, and strengthening the professional competence of practitioners. The participation and feedback received have been highly encouraging.

We are pleased to state that the collaboration with your esteemed institution, along with the active participation of its students and practitioners, has resulted in significant benefits to the public

Thank you for your continued support.

Yours faithfully,

Registrar
Goa Board of Homoeopathy
